Rep. Ben Ray Luján announced on Oct. 5 the introduction of the Community College Energy Training Act of 2009 at Santa Fe Community College.

The Community College Energy Training Act of 2009 will support the training of technicians to work in the wind, solar, geothermal and biomass energy sectors. The bill also will cover other energy-related occupations, including energy efficient construction and retrofitting, recycling and waste reduction, water and energy conservation, and sustainable agriculture. The legislation currently has 22 cosponsors.
